ANNEX I - APPLICATION FORM	7

1. Background

In line with the project's proposal, the consortium of the Erasmus+ project entitled "Weaving innovation among academia and industry in the Tunisian textile sector" with the acronym "WINTEX" -hereinafter referred to as "WINTEX"- has set up an External Quality Evaluation Committee - hereinafter referred to as "EQEC"- to monitor and evaluate the project's implementation and ensure a neutral review and a consistency assessment of the project deliverables versus project target groups' needs/expectations.

The EQEC will be comprised by four (4) members, established one (1) in the EU, and three (3) in Tunisia.

The present call refers to one (1) member of the "EQEC" established in Tunisia, which can be either a natural or legal person.

2. Job Description

Job title: External Quality Evaluator/ member of the External Quality Committee.

Job description: The implementation of the External Quality Assessment of the Project in close collaboration with the other three members of the Committee, including:

- the constructive ex-post evaluation of the project implementation, outputs and deliverables for the third year of the project starting from 1 January 2022 using his/her own tools (e.g. questionnaires, personal interviews) with a focus on the project's implementation in Tunisia and notably the quality, installation and use of the equipment purchased with the support of WINTEX and the overall implementation of the project and its impact **for the University of Sfax**;
- the contribution and delivery of their specific contribution to the preparation of an External Quality Report covering 12 months, under the coordination of the EU evaluator, as described in the Quality and Evaluation Plan of the Project;
- any other contribution to the project that derives from the Quality and Evaluation Plan and its possible future amendments or specific requests made by EACEA (Education, Audiovisual and Cultural Agency).

Deliverables: 1 Quality Assessment report.

Estimated man-days: 4

3. Qualifications/ selection criteria

Required qualifications (exclusion criteria):

- Holder of a higher education diploma (doesn't apply to legal entities);
- A minimum of three-year research or working experience in the textile sector;
- Upper Intermediate level of English (B1). The level of English shall be enough to: a) Understand WINTEX technical reports, b) write technical reports and c) communicate with the EQEC coordinator through emails.

Additional qualifications (rated criteria)::

- Experience in the implementation of national, EU or international textiles related projects;
- Experience in the implementation of national, EU or international projects of various topics;
- Level of English knowledge: Independent user (B2), or Advanced (C1 or C2).
- ***Important note: Applicants from the following organisations, that are members of the project's consortium, will not be eligible.***

Sfax University - USF, Higher Institute of technological studies of Ksar Hellal- ISET, University of Monastir – ISMMM, Association Tunisienne des Chercheurs en Textile – ATCTex, Centre de Recherche en Numérique de Sfax – CRNS and Pôle de compétitivité Monastir El Fejja – MFCPOLE.

4. Type of contract, duration and compensation

Type of contract: Service Agreement

Duration: From the day of the signature of the agreement until 14/08/2023.

Compensation: 450€.

5. Application procedure

Interested individuals are invited to submit their application to Creative Thinking Development, member of the "WINTEX" consortium via the email: info@crethidev.gr. The sentence "WINTEX: CALL FOR ONE TUNISIA MEMBER OF THE EXTERNAL QUALITY AND EVALUATION COMMITTEE" should appear on the subject of the email.

5.1 Supporting documents

Each application shall include the following documents:

3rd call for Applications for the Selection of one member (for the USF) of the External Quality and Evaluation Committee in Tunisia– version 1.0 Page 4/9

This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein

- a **signed application form** (Annex 1) including:
 1. a small cover letter explaining the applicant's motivation for answering this call;
 2. a list of supporting documents duly filled with the documentation which proves how the applicant fulfills the selection criteria (required and additional qualifications) listed in chapter 3 of this call;
- a **curriculum vitae (CV)**, preferably in the European format (only for natural persons);
- a **company resume** (only for legal entities);
- **all supporting documents** – proofs of the qualifications.

5.2 Deadline for application

The applications must be sent by **6 March 2023** at the latest. The date of the e-mail sent will be the date of sending.

6. Selection procedure

Rating of the additional qualification criteria

#	Qualification	Rating method
1	Experience in the implementation of national, EU or international textiles related projects (additional to the three-year research or work experience in the textiles sector)	Up to 1 year: 30 points Up to 2 years: 40 points More than 2 years: 50 points
2	Experience in the implementation of national, EU or international projects on other topics	Up to 1 year: 10 points Up to 2 years: 20 points More than 2 years: 30 points
3	Level of English knowledge	Very good knowledge (B2): 10 points Excellent knowledge (C1 or C2): 20 points
	Sum	100 points

In the event of a tie between two candidates, the research or working experience in the textile sector will be the selective factor.

The selection procedure shall consist of an assessment of the applications performed by CRETHIDEV against the selection criteria listed in chapter 3 of this call, concluded by the establishment of a graded list of the eligible applicants and, if applicable, a list of non-eligible applicants.

7. Visibility

This call will be published to the website of CRETHIDEV (<https://www.crethidev.gr/>) and WINTEX project (<https://wintexproject.eu/>) and a link to this call will be shared at the websites of the Tunisian partners of the consortium (USF, ISET, ISMMM, ATCTex, CRNS, MFCPOLE).
